

Cohaus

Come celebrate the past, present and future of
this site

Open House at 11 Surrey Crescent
Sunday 19 May
1 – 2.30 pm

The villa will soon be moved 30m to the top of Browning Street. Since 1890, the villa has provided shelter to many people through its life as Fairhaven Maternity Hospital, Fairleigh Maternity Hospital, and Fairleigh Lodge residential care home. Moving the villa is the first step in preparing for the construction of Auckland's first urban Cohaus, which will be home to twenty households.

Come for a cup of tea and share memories about the villa, the people who were born or lived here over the last 130 years, and to celebrate the next step towards Cohaus.

Please share this invitation with your neighbours, and anyone you know who has a connection to the villa at 11 Surrey Crescent.

We look forward to seeing you there!
